Commercial offer

JSC «Lida furniture factory» manufacturer of furniture from solid birch and pine produces a wide range of Cabinet, office furniture and furniture for rural tourism direction. We are interested in reliable partners and regional dealers. For our counterparties, we are ready to provide:

- a diverse and original range of the furniture,
- guaranteed delivery,
- high-quality products,
- entitlement to technical and service maintenance outside Belarus,
- to build a modern stylish interiors and interiors in the style of «Provence» and «Country»,
- opportunities for designers and creators of the interior.

For the production and decoration of our furniture ecologically pure materials are used. Interesting and wide range of programs «Viking», «Viking GL», «Province». The program of furniture «Province» is made by an exclusive design development of solid birch, with the use of classic Italian furnishings. The color of the programmers emphasizes refinement and luxury furniture. Furniture of series «Viking» is made of solid pine with the effect of artificial ageing, simulating a «wormhole» and «wear». In the design of furniture decorative carved elements and accessories hand-forged. Products are processed composition on the basis of bees wax on the special technology. The structure of a tree when this becomes a bright and fully emphasizes natural beauty that creates the effect of «antique» furniture. The program of furniture « Viking GL » is made of solid pine with effect of artificial ageing, by sampling the interlayer wood, the method of «brushirovania»; finishing is made of ecologically clean water paint and varnish materials. Also factory specializes in the production of combined furniture for bedrooms «Gloria-6», «Gloria-8». Sets of furniture made from solid birch and (or) of a pine in conjunction with coated with natural veneer of the stove. Production of furniture for office and for the bedrooms of laminated chipboard in combination with elements of MDF, with the use of kromochnoy tape PVC and modern fittings. Code "TN VED 9403601009" - Wooden furniture for dining and living rooms other.
